LEARN HOW TO CAPTURE THE FRACTURE®

Health-care professionals attend these webinars to find out more about Fracture Liaison Services (FLS), the most cost-effective model for preventing secondary osteoporotic fractures.

LEARNING OBJECTIVES

The webinars will enable you to:

- ▶ Learn about IOF and the Capture the Fracture® programme
- ▶ Describe the benefits of an interdisciplinary approach to post-fracture care management
- ▶ Implement the FLS model of care and apply best practices for post-fracture patients
- ▶ Understand how to implement an FLS
- ▶ Build awareness of the tools available to you on the Capture the Fracture® website
- ▶ Establish how to apply to the Best Practice Recognition programme
